Moana Nursery in Canby Oregon is looking to fill a position of Assistant Nursery Manager. Moana Nursery is a wholesale grower of ornamental nursery stock. We grow trees, shrubs, grasses and perennials. We grow primarily for our own company but also sell wholesale to the nursery industry. We are on a 193 acre facility that has both container yard and field production.

Job duties will be involved in all areas of the nursery. Production planning, inventory, herbicide applications in container yard and fields. Customer orders, fleet maintenance decisions, budgeting of annual expenses. Trucking logistics for shipping plant orders. Supply purchasing. Also working with our parent company in Reno, Nevada, where we have three retail stores along with our own commercial and residential landscape division.

Potential Candidates Will Need:

- A strong foundation in common sense
- A strong knowledge of the ornamental nursery business
- A strong knowledge of plant production, growing, propagation
- Experience with irrigation systems, overhead impact sprinklers and drip irrigation
- Experience with wide range of agriculture/farm equipment operation. (Trucks, tractors, implements, ATV's, chainsaws etc.)
- Computer experience. Ability to operate and learn.
- The willingness to work with and manage teammates at the nursery.
- To be bilingual (very beneficial)

This person will work directly with the current nursery manager. The intent will be to learn all parts of Moana Nursery's Canby operation with the full intent to eventually move into the position of General Manager.
