Job Posting

Garden Center Positions

Date Posted: January 9, 2020

Location: Gulley Greenhouse, Fort Collins, Colorado

Please Contact

Dave Burleigh

daveb@gulleygreenhouse.com

We are hiring for all positions in our retail garden center, which include cashiers, nursery/perennials sales staff, annuals sales staff, landscape installers, and merchandisers. Have fun and get dirty, while making people's plant dreams come true!

The jobs are often physical and require standing, walking, bending, and lifting. All positions require a good attitude and excellent customer service.

We are a group of people that like to work hard, while still enjoying each other's company, our customers, and, of course, the plants that we grow and sell. Our ideal candidate will embrace, and contribute, to the warm and inviting culture that we pride ourselves on!

Plant knowledge is a plus, but not a requirement. Come join our team! If interested, please send your resume to Dave Burleigh at daveb@gulleygreenhouse.com.
