## Job Posting

# Full Time Seasonal Garden Labor Position

**Date Posted:** April 13, 2021

**Location:** Pears to Perennials, Broomfield, Colorado

**Please Contact:**

Jacqueline Chace

[jacqueline@pearstoperennials.com](mailto:jacqueline@pearstoperennials.com)

**Compensation: \$16.35/hour**

Pears to Perennials is looking for part-time and full time seasonal garden labor staff for the 2021 season. Work will begin in March and go until October or longer, weather pending. Pears to Perennials creates and maintains vegetable gardens, flower beds, xeriscaping, and edible landscaping.

We are looking for someone who is excited about our company and mission, and we will train the right people in gardening skills. Starting pay is \$16.35 for full time employees. Our clients range across the metro Denver area, and we are currently looking for staff to work in all areas. We endeavor to assign staff to projects close to home whenever possible. This position is a W-2 employee position.

**Essential Duties for the position include:**

- Be able to work a physically demanding job in various weather conditions
- Perform all garden tasks related to garden maintenance
- Be able to lift at least 40 pounds
- Be able to commit to a regular schedule each week
- Have good communication skills, with some customer service experience preferred
- Be able to speak and write English proficiently
- Have reliable vehicle to get to job sites (many are not accessible via public transportation)
- Be at least 18 years of age
- Willing to learn new skills related to gardening, irrigation, and tree care

**Specific job duties include:**

- Providing transportation for self and garden tools/small supplies to job sites
- Managing assigned tools and supplies
- Maintaining existing vegetable gardens and flower beds, including weeding and pruning
- Planting seedlings and seeds into existing gardens
- Mulching or laying rock or other ground cover into existing garden beds
- Removing rock, landscape fabric or other existing ground cover as needed
- Assisting with harvest of food crops
- Identifying garden issues such as bugs or disease on plants
- Regular communication with supervisor about garden beds, schedule, other duties, and any questions about jobs or clients

We are a growing company, and there is potential for more hours and other duties as the season progresses, depending on the candidate. While we are currently looking for garden maintenance help, there is potential for garden design and planning in the future. This position would be great for someone looking to acquire or improve garden skills, as well as someone looking for experience or a career in the gardening or horticulture fields.

**To Apply:**

Please send a resume, and a brief paragraph explaining why you are interested in this position to [jobs@pearstoperennials.com](mailto:jobs@pearstoperennials.com). Please review our website at [www.pearstoperennials.com](http://www.pearstoperennials.com) for more information about our services and mission.
