Compensation:

\$15/hour base pay. The pay range is \$15 - \$25/hour based on experience and position.

We are seeking an addition to our team here at Pitkin Mesa Gardens!

Ideally we are looking for a full time employee but we will consider part time.

Our 2023 planting growing season will begin **February 27th** and full time greenhouse work will be available from that point through the end of June. Then we will be taking a few weeks off.

After that we will resume work building another greenhouse and a warehouse/office this summer. (We are hoping to find someone that can assist with greenhouse work and would also be open to assisting in building these structures) There is potential for work until November if it's a good fit.

We have been in business since 1998 and have recently grown our business and are needing to grow our team with it. We are hoping to find someone who wants to stay with us for several years.

Job Duties May Include:

- transplanting
- watering
- general plant care
- moving plants
- weeding
- driving

Essential Duties

- Assist production efforts for all greenhouse crops through plant care and maintenance activities, Including planting, watering, potting, mixing soil, pruning, staking, weeding, and spacing.
- Support management team by assisting with data entry and inventory
- Collaborate with employees performing related work
- Assisting in loading trucks
- If qualified and interested, we are looking for someone who would like to drive some deliveries as well.
