Job Posting

Horticulture Coordinator

Date Posted: May 1, 2019

Location: Denver Zoo, Denver, Colorado

Denver Zoo is a leader in animal care, wildlife conservation, and education. We are passionate about our commitment to excellence in support of our mission to secure a better world for animals through human understanding.

Denver Zoo honors our animals, staff, and guests by conducting ourselves at the highest level of integrity through our Core Actions -- Inspire Awe: Safety, Care, Connect and by embracing our Core Behaviors of: Passion, Respect, Innovation, Diversity, and Excellence in all that we do.

POSITION SUMMARY:

Denver Zoo's Horticulture department has an opportunity for a full time **Horticulture Coordinator** to provide routine maintenance of the Zoo's plant collection, landscapes, and exhibits according to the highest horticultural standards. This includes monitoring, pruning, fertilizing, pest control, watering, collaborative design, and record keeping necessary to optimize the health and vigor of the living landscape.

Candidates should have a Bachelor's degree in horticulture, landscape design, forestry, environmental science or related field, related work experience and a clear driving record.

Our staff is a dedicated and diverse group of individuals committed to providing quality care to our animals while creating moments of awe for guests. If you are a like-minded individual and thrive in a dynamic, fast paced, and innovative culture, Denver Zoo is the place for you!

To apply for this job, [please complete our online application](#).

Completed applications must be submitted by May 9, 2019

Denver Zoo reserves the right to close the position prior to the above date.
