970-482-1984

**Compensation:**

\$ 14.00 - \$15.25/hour

As a member of our Horticultural Production/ Nursery Construction team you will learn all about what it takes to keep our Nursery stocked with beautiful plants, as well as assisting with the construction of our brand new production facility in Ault. If you enjoy being part of a great team, working with your hands, and being around plants then this is the job for you!

**Why You Should Join Us:**

Fantastic culture with an emphasis on work-life balance as well as a supportive culture, we aren't just growing plants - we want our employees to grow with us too. Top-tier benefits like health insurance, 401(k), time off, employee discounts, and even incentives for community volunteering.

**Production Team Member Responsibilities:**

- Potting up plants
- Caring for and maintaining plants
- Watering plants daily
- Unloading weekly shipments
- Assisting in stocking retail nursery
- Grounds and facilities repair and maintenance
- Basic construction of Ault production facility

**Production Team Member Requirements:**

- Quick learner with attention to detail
- Enjoy plant production and care
- Capable of extended physical labor (must be able to lift 50 lbs repeatedly)
- Must have reliable transportation and be willing to travel to Ault as needed
- Basic knowledge of tools and construction helpful
