Compensation:

\$14.50 - \$15.50/hour

Do you enjoy working with plants and being physically active? Join our Horticultural Production Crew and experience a great hands-on learning opportunity producing over 50,000 #1 perennials and thousands of potted trees and shrubs while spending lots of time outdoors. Position also includes unloading plant shipments, plant maintenance, facilities and grounds maintenance, and watering. No sales experience necessary! Qualified candidates will be strong team players, have good attention to detail, and capable of physically demanding work (must be able to lift 50lbs. repeatedly).

Production Team Member responsibilities are:

- Potting up plants.
- Cares for and maintains plants.
- Waters plants daily.
- Unloads weekly shipments.
- Assists in stocking retail nursery.
- Grounds and facilities repair and maintenance.

Ault Laborer responsibilities are:

- Assists in building hoop house structures and production facility structures.
- Loads and unloads materials/equipment required for daily tasks.
- Operates basic power tools and equipment to assist in building facilities.
- Follows guidance from supervisor and working as a team to accomplish construction goals.
- Assists skilled tradespeople with basic tasks as needed.

Production Team Member/ Ault Laborer requirements are:

- Quick learner with an attention to detail.
- Enjoys plant production and care.
- Able to work as a team and communicate effectively.
- Contributes to positive nursery environment.

959 South Kipling Parkway, Suite 200
Lakewood CO 80226
Ph: 303-758-6672
