**Compensation:**

\$28 – \$35/hour

Irrigation techs needed with experience in commercial lawn maintenance, landscaping, and irrigation systems. For more than 30 years LMI Landscapes has provided the highest quality commercial landscaping services in both Texas and Colorado. We've served all segments of the commercial market, from small private developers to large national developers. We believe that our company's "Commitment to Excellence: Excellent People, Excellent Clients, Excellent Results" is what separates us from other commercial landscape firms; this belief shows itself in our work. We have over 275 employees devoted to serving LMI's clients and our core values of: Honesty Integrity Quality Professionalism Teamwork
