### Join Our Team! Horticultural Products Salesperson Wanted!

Are you driven, passionate about horticulture, and ready to cultivate growth not just in gardens but also in your career? Our company, a cornerstone in the horticultural industry for over 100 years, is seeking a Salesperson to join our thriving team.

**Role Overview:**

- Boost sales through proactive customer engagement, through phone calls, emails and in-person visits.
- Efficiently manage customer relationships, ensuring timely follow-ups and placing and tracking orders.
- Represent our company at trade shows and educational events, expanding your network and expertise.
- Support the company's dynamic needs and stay informed about the latest products and technical advancements.

**Your Profile:**

- History includes experience in horticulture and/or agriculture.
- Self-motivated. A proven sales track record is a plus.
- Excellent communication and organizational skills.
