

Fort Collins Nursery - Ault, CO Location

Horticultural Production Team Member (FT, Seasonal)

If you'd rather spend your summer outdoors than behind a screen; if you like working with your hands and seeing the results of your effort; if you want to be part of a hardworking, no-drama, team-focused crew, you just might have found the perfect position!

Fort Collins Nursery is hiring seasonal Horticultural Production Team Members to help grow and care for the plants that supply our retail nursery.

This is a physically active, fast-paced, outdoor role with no customer interactions. Just plants, an awesome crew, and meaningful work.

Location

This position is at our Ault Production facility; applicants must be willing to travel to Ault to be considered for this role. Location: 20683 County Road 88 Ault, Colorado

Why You'll Love Working Here

- Hands-on horticulture experience.
- Active, outdoor work environment.
- Supportive, team-focused culture.
- Guided by our values: Integrity, Service, Health & Happiness, Commitment to Excellence, and Profit.

What You'll Do

- Assist with planting, watering, fertilizing, pruning, and general plant care.
- Monitor plant health and help identify pests or disease issues.
- Grow a massive variety of over 100,000 plants - everything from perennials to trees, with a big focus on natives.
- Operate and maintain horticultural tools and equipment.
- Assist with receiving shipments, loading plants and pulling orders, and grounds maintenance.
- Maintain clean, organized, and safe work areas.
- Collaborate with team members to meet seasonal production goals.

What We're Looking For

- Interest in horticultural production or outdoor work.
- Ability to work physically and outdoors in varying weather conditions.
- Strong work ethic, reliability, and attention to detail.
- Willingness to learn new skills and adapt to changing priorities.
- Ability to work well as part of a team.
- Reliable transportation required.

Preferred Experience:

- Landscaping or horticulture experience.
- Familiarity with tools, equipment, or plant care (not required—we're happy to train!).
