Harlequin's Gardens Plant Propagator

We are looking for an experienced, skilled plant propagator to grow plants from seeds and cuttings: We specialize in native and Colorado adapted perennials, shrubs, ground covers and pollinator plants.

We grow pesticide-free; retail and wholesale. Harlequin's Gardens is in our 35th year, specializing in water-wise, pollinator-safe plants well-adapted to Colorado conditions.

Year round work with a small, friendly, respectful crew in a non-toxic environment.

An inexpensive apartment on site could be available. Send cover letter and resume to eve@HarlequinsGardens.com and staff@HarlequinsGardens.com

Location of Job (include city/state):

4795 N.26th St. Boulder, CO 80301

Pay Rate

\$30 per hour, full time
