For Sale: 71,680 SQFT of fully operational greenhouses off US Hwy 6 & 50, within minutes of Mack, Colorado. In addition to current production space, the Mack Greenhouse complex includes: a 1,637 SQFT building (breakroom, two offices, kitchen, commercial restrooms) and 71,680 SQFT of greenhouses currently under construction. If 143,360 SQFT proves insufficient, twenty-eight more (140' X 128') greenhouses could be constructed.
