

February 5 - 8, Colorado Convention Center, Denver

Session on New Tax Rules Added at ProGreen

As of May 31, 2019, all businesses that collect and remit sales taxes in Colorado or those that sell into Colorado will need to comply with a new state sales tax law. Given the complexities of the new law, CNGA has spearheaded the addition of this session to provide additional details and to answer your questions. It's

scheduled for Friday, Feb. 8, from 9:15 - 10:45 AM. Presenters will explain the new tax laws, how businesses can manage the change and provide specific examples of how the new law will impact invoicing and delivery.
